

Contacting Students/Staff

Please contact the school office phone at 582-2134 at recess, noon hour or before or after school (when wanting to contact students) so as not to disturb classes. Please refer to the bell schedule to see when classes are in session. Currently we are experiencing a high volume of requests to disturb students while they are in class.

Students and staff will not be called out of classes unless in emergency situations (tragedy, illness, injury).

Student use of the telephones will be limited to breaks unless in emergency situations.

Students are not allowed to use cell phones during class time unless directed by a teacher.
